

2024 CoC Competition: COC Priorities

Project Name:

Project Type

1. New projects only: Are you applying for a new project with a project type of PSH?

Yes

No

Critical Needs

2. Project addresses critical needs through one or more of the following (check all that apply):

- Projects designed to specifically support clients that are chronically homeless
- Projects with partnerships to support households with pets
- Projects with partnerships to support households with seniors age 55+
- Projects with partnerships to support clients with mental health, substance use disorder, medical frailty, co-occurring or tri-morbidity
- Projects with components that specifically address transportation barriers for clients

3. Describe how the project will specifically address the identified critical needs. If components will be through a partner organization, letter of commitment, contract or formal document demonstrating the how the partner will provide those services to program participants must be included. If components will be part of project design offered by the project itself, please outline the project component, how clients will be advised of the options at intake and throughout their enrollment, and how success for the component will be measured.

Equity Factors

4. Applicant's board of directors includes representation from more than one person with lived homeless experience
Yes
No
5. Applicant's organization has more than one person with lived experience of homelessness represented in managerial, leadership, or COC leadership positions
