

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement and Reallocation.

- Consolidations and Expansions Forms – must be completed if the CoC is consolidating eligible renewal projects or applying for new projects to expand the operations of eligible renewal projects.

- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New, CoC Renewal, YHPD Renewal, YHDP Replacement and Reallocation Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.

- Project applications on the following Project Listings must be approved and are not ranked per the FY 2026 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps. Additional training resources are available online on HUD's website

2. Reallocation

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2027 to create one or more new projects? Yes

Alert:

As stated in the FY 2026 CoC Program Competition NOFO:

- CoCs may reallocate YHDP projects from any Round to create new YHDP Replacement projects.
- If a CoC reallocates funding from a renewal project that was previously awarded DV Bonus funding, any new project created with such funding must be 100 percent dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act.

2A. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC Renewal, DV Renewal or YHDP renewal project funds to create new project application(s) may do so by eliminating one or more expiring eligible projects.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.

2A-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified.
(limit 2500 characters)

The CoC utilized its approved FY26 Reallocation Process that states that the CoC will reallocate funds to new projects whenever reallocation would improve system performance and outcomes, result in more efficient use of resources, or improve service to the most vulnerable participants. For this project, reallocation was determined based on its overall application score as well specific scores in the system performance and objective criteria portions of the scoring tool for RRH renewals. The project scored low in data quality with missing data at 15% despite numerous trainings and meetings with the CoC's HMIS Lead and CoC Lead to attempt to resolve the data quality issues throughout the last 12 months. Recidivism was also high for this project, with 34% of households returning to homelessness within 12 months which is above the CoC's maximum expectation of 11%. In addition, the project does not require a supportive service agreement for program participants and did not produce a copy of an agreement for the CoC Collaborative Applicant's review at time of project submission. Due to this low performance and objective criteria, the CoC voted to reallocate this project to fund a new transitional housing project and an expansion rapid rehousing project from a higher performing organization that will be dedicated to families with children. The CoC feels that this reallocation will result in more efficient and effective use of the CoC's resources and improve service outcomes for program participants. YWCA Bucks County was notified of their renewal project's reallocation via email on 9/21/2026.

2A-3 Is the project being eliminated to create one No
or more transition grant applications?

**2A-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified.
(limit 2500 characters)**

The CoC's approved FY26 Reallocation Process allows for project applicants to voluntarily reallocate their project to make better use of CoC resources, provided the new project meets CoC priorities and has a viable model and quality program design. Valley Youth House chose to voluntarily reallocate their renewal Joint project: Bucks TH-RRH for Youth in order to create a new transitional housing project dedicated to serving transition aged youth. The new transitional housing project will more effectively serve the CoC's youth by providing lower barrier entrance to housing as well as more robust supportive services to move the program participants towards long term housing stability within the community. 100% of the reallocated funds from this renewal Joint project are being used towards the applicant's new transitional housing project, as well as some CoC bonus funds to allow for additional supportive service dollars to better meet the needs of the participants. Valley Youth Housing was notified of their voluntarily reallocated project to new project acceptance via email on 9/21/2026.

2A-3 Is the project being eliminated to create one or more transition grant applications? No

2B. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible CoC Renewal, DV Renewal and YHDP Renewal project funds to create new project applications may do so by reducing one or more expiring eligible renewal projects.

YHDP Renewal Grants and DV Renewal Grants may only be reallocated to create new projects that serve the same populations/subpopulations as the projects the funding was reallocated from.
